## RECOMMENDATION LETTERS CRISTOBAL VARELA

To whom it may concern;

1. He is a professional that takes high pride on what he does
  - a. Invested a lot of time in educating us team-members on his expertise within SEO.
  - b. Created a full compendium with great information that helped us enhance our work within this field.
2. He is a great communicator and always contributing to meetings when needed
  - a. Quick turnaround on answering any questions
3. He is a team-player and good leader in terms of how he manages his own squad by lifting them up and making them have accountability over their own tasks

I, Peter Olin, highly appreciated working with Cristobal and believe that our collaboration was key in order to move several products within the Moderna sphere forward.
